To The Entire March Committee:

Thanks for all your great work and support throughout the year.

Nearly three hundred groups representing the incredible diversity of our communities march today. We honor and congratulate all those who stand with us on 5th Ave. for the 39th time. Whether it's fighting AIDS, making music, or pushing a stroller, everyone on 5th Ave. today is part of the struggle for our civil rights. Look around you and be proud of all that we are and how far we've come as a community. Each of us is a role model for all those not ready to join in this glorious demonstration of our strength and determination. We look forward to your stepping off the curb and joining us soon. COME OUT!!!!

Thank you to the wonderful people who have volunteered for The March – Section Leaders, Go Team, Vehicle Coordinators, Route Coordinators and Group Marshals.

Without you the March would not happen!
